

How to set up your Virgin Money Giving Fundraising Page

You may have heard of or used an online donation site called Just Giving but COCO has now signed up to a new online giving service called Virgin Money Giving (VMG). VMG allows you to collect donations online (just like Just Giving) but the service charges lower commission costs per donation compared to other online giving sites that means COCO get more from your donation. To set up your page please follow the below instructions and if you have any problems please contact Jess at COCO on 0191 2617427 or email jess@coco.org.uk.

1. Visit Virgin Money Giving: <http://uk.virginmoneygiving.com/giving/>
2. Select the option ‘Start Fundraising’

3. Sign in either by registering with Facebook, or enter your email address, further details and password, click the “read and agreed to the terms and conditions” and click register.
4. Then click “Create your personal fundraising page”
5. Type the name of the event in the “What is your fundraising challenge?” box, and select the challenge you are participating in from the list. If you are organising your own challenge, then you can call it whatever you want.
6. Search for “COCO” and select “COCO Comrades of Children Overseas”
7. Answer “No” to “Have any of your selected charities contributed to the cost of your fundraising?”
